## GOOD LUCK 2022 GRADUATES!!!

The "Last Bell" ceremony is traditionally held in Russian schools after the end of classes, but before the pressure of final exams. For graduates, this is a ticket to adulthood. May 25, 2022 our school graduates celebrated their "Last Bell" ceremony. We congratulate them on this wonderful event!

*My dear 9B, congratulations on your graduation! This is only the beginning of your success, you have to achieve a lot more in your life. Graduating is the first stage of your life. You need to be strong to make more achievements. Now, you are closer to your dreams and I want to see you becoming a successful persons in life. We have gone through a very difficult path, but we still managed it! Know that you are forever in my heart! And my door is always open for you! I love you very much, my dear children!*

**Ekaterina Veniaminovna**

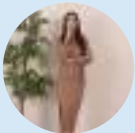

*My dear children! My dear 9A! It was a long journey, but you have made it through and graduated. May all your dreams come true. We have always known that you could do whatever you set your mind to. May you have a bright and prosperous future. You are moving on to a new and exciting chapter in your life. On this important day, I want you to know how proud I am to be associated with you. You have done so well. I know you will do well academically and in life generally. I am very proud of you. Congratulations on your graduation! I love you very much and will miss you!*

**Ekaterina Yurievna**

*Congratulations on graduation, dear children! At this moment, it is a little sad, because you say goodbye to childhood, but joyful from the opportunities that open up. May all your wishes come true, may only bright and kind people meet on your path, may love illuminate your days with a bright flashlight. Go and conquer the world!*

**Anastasia Nikolaevna**

*Our beloved graduates! Today is the last bell for you. This moment is very exciting and touching, because you have a whole interesting life ahead of you. And we wish you success in your search for yourself, happiness and great love. And remember that our doors are always open for you. We will always be glad to see you!*

**Irina Sergeevna**

*Dear graduates, the last school bell has rung for you. Today you say goodbye to your school friends, to your mentors, to your childhood. There are new challenges ahead, but we are confident that you will overcome them. We wish you to achieve your goals, are not afraid of difficulties and believe in yourself. Good luck!*

# INTERVIEW WITH OUR GRADUATE

Class of   
2022

School years are years of development and formation. Graduates are happy people! They are happy with their youth, positive, prospects. We wish them to go only forward, are not afraid of difficulties and achieve their goals! We decided to ask a few questions to Isaeva Intizar, the graduate of the 9K form, who took the exam in English this year.

**- You graduated from the 9th grade, tell us how you can describe your studies at school?**

- Well, my studies were great and the main reason was my English teacher - Ekaterina Yurievna

**- What are your favorite subjects?**

- Unfortunately or not, I have only two favourite subjects and their both are connected with languages. They are Russian and English!

**- How do you see your future? What are your goals?**

- Actually, I think about it a lot, but I haven't got any exact ideas. The main goal is being happy and to bring happinesses to others;)

**- Why did you decide to take the exam in English? Was it difficult for you?**

- English is my favourite subject, I study it not only for passing exams, but also for pleasure. By the way, exam was not hard, if you are well-prepared.

**- Why do you think it is worth learning English?**

- Because English is such a widespread language and is found all over the globe. English is becoming the common language that people from different countries and cultures can use to communicate with one another. And you can easily travel anywhere in the world. Furthermore, there are many great works of literature, science, history and social science that were written in English first.

**- What advice would you give to the younger generation?**

Look at education in a different way. Forget about public opinion and do what the soul is for.

*Education will help you to survive.*

*Self-education will lead you to success.*

## Blitz Poll

**- What do you like to do in your free time?**

- I like drawing and making memes.

**- Tea or coffee?**

- Juice.

**- Movie or book?**

- Book.

**- Name three traits of your character that you would like to get rid of.**

- Causticity, touchiness, fearfulness.

**- What is the most important thing in life?**

- Cognition, self-search.

**- Do you have a motto for life?**

- Don't look for ideals in other people. Become a role model for yourself.

## 2022 - YEAR OF OUTSTANDING COUNTRYMEN OF CHUVASHIA

On September 13, 2021, the head of the region, Oleg Nikolaev, signed a decree declaring 2022 the Year of Outstanding Compatriots of Chuvashia. Our republic is proud of its hardworking, creative, active countrymen.. Wherever we have been, everywhere you can meet the natives of our republic, who glorify the Chuvash region.

### **Nikita Yakovlevich Bichurin** (August 29, 1777–May 11, 1853)

He is an outstanding sinologist and mongolian scholar, traveler, and writer. He received a higher theological education. For 14 years he headed the Russian Orthodox Mission in Beijing. Excellent knowledge of the Chinese language allowed him to professionally study the history of the peoples of Central Asia, South Siberia and the Far East, their languages, writing, economy and culture. In 1828, the Russian Academy of Sciences elected him a corresponding member, and his works were awarded the Demidov Prize four times. Bichurin was a friend of the poets Pushkin and Krylov, the painter Bryullov, the writer Odoevsky.

### **Ivan Yakovlevich Yakovlev** (April 25, 1848 - October 23, 1930)

He is an educator, missionary, teacher, translator, writer, folklorist. He was engaged in the organization of public schools, created the modern Chuvash alphabet, textbooks in the Chuvash and Russian languages for Chuvash students.

Thanks to him, thousands of students began to learn according to the new national alphabet, he put a lot of effort into bringing the Chuvash culture closer to Russian, translated books to make them accessible to his compatriots, raised more than one generation of teachers who became worthy successors of his work.

### **Nikolay Ivanovich Ashmarin** (September 22, 1870 - August 26, 1933)

Throughout his scientific activity, he collected and described various genres of Chuvash oral literature, the religious and ritual foundations of the Chuvash folk culture, analyzed the features of the Chuvash dialects.

He made a great contribution to the development of culture and education of the Chuvash people. World fame was brought to him by the work "Dictionary of the Chuvash language", consisting of 17 volumes, which absorbed a huge wealth of oral and poetic creativity of the Chuvash people, which is a valuable source in the study of the Chuvash language.

**Konstantin Vasilievich Ivanov**  
(May 27, 1890–March 26, 1915)

He is the graduate of the Simbirsk Chuvash teacher's school. He worked at the Simbirsk Chuvash teacher's school. Konstantin Vasilievich wrote poems, poetic tales, ballads, tragedies, poems, a series of stories. Thanks to him, the Chuvash people read the works of M. Lermontov, N. Nekrasov, A. Koltsov, N. Ogarev, K. Balmont in their native language. With his participation a new "Primer for the Chuvash using the Russian alphabet" was prepared and published. The poet successfully worked in the field of painting: he painted scenery, illustrations for the primer, was fond of photography.

**Nadezhda Vasilievna Pavlova**  
(May 15, 1956)

She was born in Cheboksary. In 1975-1995 Nadezhda Vasilie was a ballet soloist at the Bolshoi Theater, where she performed more than 20 roles in performances of the classical repertoire and contemporary choreographers. She performed in Austria, Yugoslavia, Italy, etc. After the end of her ballet career, she continued to work as a teacher-repetiteur, participated in creative evenings of classical ballet masters. She starred in the Soviet-American feature film *The Blue Bird* (directed by J. Cukor). Her main roles are Svanilda, Juliet, Kitri, Giselle, Masha, Aurora (*The Sleeping Beauty* by P.I. Tchaikovsky), Phrygia (*Spartacus* by A.I. Khachaturian), Eola (*Icarus* by S.M. Slonimsky), Katerina (*Stone Flower* by S.S. Prokofiev) and others.

**Sespeľ Mikhail (Kuzmin Mikhail Kuzmich)**  
(November 16, 1899–June 15, 1922)

He is a classic of Chuvash literature, reformer of versification, artist, poet, playwright, prose writer, and translator.

M. Sespeľ is one of the public and state figures of Chuvashia in the first years of the formation of its autonomy.

He is the founder of syllabo-tonic versification in Chuvash poetry. Sespeľ expanded the lyrical possibilities of the verse, based on the experience of Russian classical poetry, the best examples of pre-revolutionary Chuvash literature and folklore. The first collection of poems was published in 1928. Since then, his works have been published in different languages of the peoples of the world.

**Nikolay Vasilievich Nikolsky**  
(May 19, 1878 - November 2, 1961)

He is the graduate of the Kazan Theological Academy. In 1906 he organized the publication of the first Chuvash newspaper "Khypar". He worked at Kazan University, Eastern Conservatory, Eastern Pedagogical Institute. In 1940-1950 he was a senior researcher of the Mari Research Institute and a professor of the Mari Pedagogical Institute.

He is the author of about 200 scientific papers. According to the programs he created, a huge amount of material on the history, ethnography and folklore of the Chuvash people was collected by him.

**Fedor Pavlovich Pavlov**  
September 25, 1892 - June 02, 1931

He is a poet, composer, playwright, conductor, folklorist, cultural and educational figure, organizer of musical education and the Chuvash national choir in the republic.

He began his literary activity by composing poems, united in the cycle "A Monument to My Youth". In 1919 he published the first original Chuvash comedy "Sutra" (On the court), and in 1922 the drama "Yalta" (In the village).

A major contribution to the development of national art was the creation of works for orchestras: symphonic ("Sarnaipa palnai" (Sarnai and palnai)) and wind (march "Forward, Red Chuvashia").

# Cinema corner

Are you still learning English with textbooks? But textbooks are boring for you. Then series is a way out of this situation. We invite you to watch the series about the child prodigy Sheldon Cooper. We are sure you will be interested.

Young Sheldon is an American sitcom created by Chuck Lorre and Stephen Molaro.

The series is a spin-off and prequel to The Big Bang Theory and tells the story of a young Sheldon Cooper, who lives with his family in East Texas and at the age of 9 starts high school.

The parents of the young genius do not share their son's passion for science: his mother is very religious, and his father, a former football coach, prefers to spend evenings in the company of TV. Sheldon's older brother, Georgie, is a frivolous and simple teenage boy; Sheldon's twin sister, Missy, is a pretty girl who is not interested in studying at all.

Sheldon doesn't get along with his peers either, because Sheldon is not interested in children's toys, where you can get enriched uranium for scientific experiments.

The series turned out so interesting that 5 seasons have already been released. So what are you waiting for? Watch the series about the child prodigy and learn English with us!

"Ice cream"- Such a short word, but it combines kindness, love, affection and tenderness. Eating ice cream means making good and positive memories, because ice cream is sweet. And any sweetness causes joy and a smile! We have prepared several homemade ice cream recipes for you. Try it yourself, you won't regret it!

All you need is ice cream

### 1. Simple ice cream from cream and condensed milk

#### Ingredients

- 200 g cream for whipping;
- 100 g of condensed milk.

#### Cooking

Whip the cold cream with a mixer until creamy. Then mix them with condensed milk. Put the mass in a wide form, cover with a lid and put in the freezer for 3-5 hours.

### 2. Banana ice cream

#### Ingredients

- 3 bananas;
- 60 ml of milk;
- a pinch of vanilla.

#### Cooking

Cut bananas into slices and put in the freezer for several hours. Blend frozen bananas, milk and vanilla in a blender until smooth. Put the mass in a wide form, cover with a lid and put it in the freezer for 1-2 hours.

### 3. Ice cream with condensed milk and strawberries

#### Ingredients

- 480 ml cream;
- 380 g of condensed milk;
- 150-200 g strawberries.

#### Cooking

Whip the cold cream with a mixer until creamy. Add condensed milk and beat again until smooth. Cut strawberries into small pieces, put in a creamy mass and mix. Put the ice cream in a wide mold, cover with a film or a lid and put it in the freezer for 3-4 hours.

- **Ice cream appeared in antiquity. It has been known to humanity for at least five thousand years.**
- **The first to discover ice cream were the Chinese, who liked to serve frozen fruit juices at the festive table, which eventually turned into what we call "fruit ice".**
- **Even Alexander the Great liked to restore his strength with a cold dessert, and Hippocrates even used this delicacy as a cure for the heat.**
